General information
Signed contract and company logo needs to arrive to HackTheAlps until **10 May 2020** despite other conditions stated in the contract. In case payment conditions are not stated as such, the payment of the invoice needs to be paid promptly without deduction. After that the signed contract, logo and payment was received by HackTheAlps, we will with start with the advertisement.

Rules for advertising material/media
The creation/ delivery/ installation of own advertising media of the supporter will be paid by each supporter.

Goodie-bag for participants
Each participant of the HackTheAlps-hackathon receives a goodie-bag as thank for the participation. Each supporter can contribute by giving goodies for the goodie-bag. If desired, please inform HackTheAlps-Team in advance and consider delivering the goodies until **27th June 2020**. For further details please contact us.

For Startup package
HackTheAlps provides to startup package the possibility to receive a space for a booth if requested.
